

July BOM 2023

Rainbow Wheel Block

Unknown origin 10 x 10 finished block

**Remember...measure twice cut once**-Block is due for the first meeting in September.

For Half Square triangle blocks (8 blocks)

Cut four (4) squares from white  $3\frac{3}{4}$  inches.

Cut four (4) squares from a bright print  $3\frac{3}{4}$  inches.

Match a white square with one of the prints, right sides together.

Mark a line diagonally down the center of the white square then another line  $\frac{1}{4}$  inch from that line on either side of the center diagonal line.

Stitch down both lines on either side of the center line and then cut down the center to create 2 half square triangles. Do the same with the other three.

Press open and trim to 3 inches with the diagonal line in the center from the diagonal point to point.

Cut 8 blocks from other bright prints 3 inches square.

Arrange the blocks to match the picture image of the finished block. Sew blocks together row by row then sew the rows together.
