## Fidalgo Island Quilters Quilt Walk 2026

During the month of April, visit shops in Downtown Anacortes to see quilted items and art quilts made by members of FIQ. A list of all the participating shops will be available at each location. Just scan the QR code or box. You are welcome to step into the shop for a closer look but be aware that hours vary from place to place. Enjoy a bright Spring Day walking around this lovely town, shopping and enjoying lunch or dinner at one of our wonderful restaurants.
